

# Opening Night

## Solution

I cannot seem to remember the *words* to this new *original Broadway cast recording*...

The original Broadway cast recording in the flavor text is The Book of Mormon (musical). Each of the listed songs are tracks on the album. The performers listed are selected from actual performers of the tracks except one name in each has been changed. The altered name is one of the books from The Book of Mormon (scripture). Books with multiple parts are disambiguated using the number next to Ensemble, e.g. (9). The length of the song, MM:SS is a book cipher message denoting the verse and word number.

Book # Verse:WordNumber	Keyword
Alma 9 12:23	Kingdom
Mosiah 4 3:02	It
Jarom 1:01	Now
Moroni 2:45	Ghost;
1 Nephi 1 2:19	Jews
Enos 5:12	Are
Helaman 12 6:27	Mercy
3 Nephi 5 4:54	Enter
Ether 6 3:06	Stones
Jacob 1 2:05	Jacob
Omni 4:17	Of
Mormon 1 4:02	Behold

The first letter of each word with a space for each act gives: KING JAMES JOB.

The book of Job is one of the books of the Bible. Using a similar book cipher for each of the first eight chapters of the King James Edition of the Bible on finds the following words:

Chapter Verse WordNumber	Keyword
1 1 18	Perfect
2 10 9	One
3 8 1	Let
4 10 18	Young
5 8 5	God
6 5 4	Ass
7 14 4	Me
8 7 6	Yet

The first letter of each returns the message: POLYGAMY.
